We are trying and have been successful in fulfilling our commitment to our self and our customers in providing and maintaining high standards. We make sure that the products and the services we deal in were of good quality and reliability. Our activities are certified for the quality and performance and our customer's peace of mind.

### *How we work - five simple steps*

From your initial contact we will arrange an appointment to discuss your ideas and requirements. Email [info@aggcon.com](mailto:info@aggcon.com) or **013 8338730**

At this first meeting, having discussed your needs in detail, we will take the necessary measurements and sketches to enable us to create personally tailored designs and drawings.

Once we have created these, we will then arrange a revisit to present the designs, discuss the details further, fine tune the work required and ensure you are happy with all the proposals.

On confirmation of the designs and quotations, we will arrange a convenient start date
